## CHÂTEAUNEUF-DU-PAPE

DE PÈRE EN FILS DEPUIS 1931

Since 1931, five generations of the Brotte family of Maison BROTTE at Châteauneuf-du-Pape have crafted with passion refined wines, distinctively smooth, elegantly fruity and spicy. The Grenache identity, the perfect knowledge of "terroirs" and the arts of vinification and maturation - mainly in 100 year old large oak barrels, give such a unique style to Brotte wines.

From Châteauneuf-du-Pape to Crozes Hermitage, including crus like Gigondas and Côte Rôtie, our selections come from loyal and long term quality partners.

Winegrowers on 75ha, we cultivate our three estates under the environmental Terra Vitis label :

- Domaine Barville in Châteauneuf-du-Pape
- Domaine Grosset in Cairanne
- Château de Bord in Laudun

Our BROTTE Wine Museum in Châteauneuf-du-Pape welcomes 22 000 visitors per year, with 40% coming from abroad.
